YOUR PRESIDENT TEAM

STANDING UP FOR YOU

We run as an independent organisation for the benefit of our members. The Union is led by five full-time Presidents who are elected by their fellow students.

Their role is to lead a wider-team of hundreds of part-time student representatives, ensuring that they represent the views and opinions of the wider student body.

These presidents make real and lasting change to student life at the University of Hull, from the £20 printer credit you receive to the brand-new sports facilities on campus, we ensure that the people making the big decisions are in touch with the day to day reality of students.

REPRESENTATION

- YOUR VOICE ON YOUR COURSE

It's important that your academic experience is a two-way conversation. To help that happen, we work with hundreds of student Course Reps across the University that give feedback about the teaching, assessment and organisation on their course, to the staff that run the programme. Through sharing this feedback, Course Reps make real change and help you to get the most from your course. They ensure that all students are able to improve the quality of their education, whatever they are studying.

HOW TO FIND YOURS

You'll receive an email from the President of Education explaining how to find out who your Course Rep is and how you can share your feedback with them a few weeks into your first trimester. You can check out the full list at any time at hulluniunion.com

INTERESTED?

Whatever level of study you are, you can become a Rep and be the voice on your course. We're looking for Course Reps as well as Postgraduate Taught and Research Faculty Reps. If you're interested visit us at the Societies & Opportunities Fair or visit 'Change Things' at hulluniunion.com

COURSE REPS

POSTGRADUATE?

Keep a lookout for your invitation to your Postgraduate Open Forums. These are your chance to feedback to the University about your experience as a post grad.

HUSSO

Student-led Volunteering

WANT TO BE A VOLUNTEER?

HUSSO is our student led community volunteering programme, this means the projects are planned and run by you, our students, with expert support from HUSU staff to help make a difference in the local community.

Volunteering is a great way to develop your people and event management skills, a good way to test out a field you may be interested in as a career or just a great way to give back and make lifelong friends.

You can get involved with our current projects which cover a range of areas:

BEFRIENDING OLDER PEOPLE: in a care home setting.

PRIMARY READING: helping children between 5 and 11 years to read.

APPROPRIATE ADULTS: working alongside Humberside Police and the Crime Commissioner to help vulnerable adults in custody.

EVERY PAW COUNTS: working alongside RSPCA to care for rescued animals and raise awareness of the centre.

FORCES OF NATURE: helping the environment and hosting beach cleans and litter picks.

GREEN SPACE: working with the down to earth group on local allotments helping to plant trees and monitor insect life.

SWOP SHOP: helping students to recycle and reuse clothing instead of sending it to landfill.

JUNIOR PARK RUN: helping children aged 4 to 14 to exercise and have fun.

STEPPING STONES: helping Rehabilitation through activity.

You can also create your own project if you don't see something that interests you! Contact huv-volunteering@hull.ac.uk to join a project or start your own.

SPORTS AND SOCIETIES TASTER SESSIONS AND EVENTS.

A lot of our GIAG sessions in the first semester will be taster sessions for our sports, societies and volunteering groups, there is no commitment but it is a great chance to 'try before you buy'.

GIAG will have opportunities for you to make friends such as the taster sessions, speedfriending, crafting sessions and walking tours to see the city.
